**Boost to domestic tourism**

129. SHRI LALIT SURI: Will the Minister of TOURISM be pleased to state:

(a) whether there is any proposal under Government's consideration to give a boost to the domestic tourism for the year 2005, by providing low budget accommodation and travelling facilities to new destinations of varied interests;

† Original notice of the question was received in Hindi.

(b) if so, the details of new facilities proposed and new destinations identified for the purpose; and

(c) the extent to which domestic tourism is expected to increase and the funds earmarked by Government for the purpose during the year?

THE MINISTER OF STATE OF THE MINISTRY OF TOURISM (SHRIMATI RENUKA CHOUDHURY): (a) to (c) In order to augment budget accommodation to give a boost to domestic tourism, the Ministry of Tourism has introduced a Scheme "Incentive to Accommodation infrastructure' during the 10th Five Year Plan. Under this scheme, capital subsidy is granted to new hotel projects in 1 to 3 star and Heritage Basic category in the country except the four metropolitan cities, Delhi, Mumbai, Kolkata and Chennai. An amount of Rs. 10 crore has been provided in the budget for the financial year 2004-05.

Further, there is a proposal with the Ministry of Railways to set up about 100 Railway Hotels/Yatri Niwas of 100 room capacity each at the surpus land available with them.

Development of new destinations including provision of various facilities is primarily the responsibility of the State Governments/Union Territories. However, the Ministry of Tourism, Government of India provides Central financial assistance to the State Governments/Union Territories on the basis of specific proposals received from them under the schemes of Integrated Development of tourist Circuits, Destination Development Projects and Large Revenue Generating Projects.

As per the statistics available in the Ministry of Tourism, the number of domestic tourists which was about 270 million during the year 2002 has gone up to 309 million in the year 203, representing an increase of about 14%. This trend is likely to continue during the current year.
